Summer

The "Global Village" Congregation

A Year of Seders

Shalom and Blessings:

Greetings from Temple Shabbat Shalom. We hope and pray that you are well. This summer we present to you a list of "Table Services" (Seders) for you to enjoy in your homes. Remember the mission of our Temple is to teach you how to transform your home into a sanctuary. The place of worship is your dining room table. The script for the service is the Seder. Go to the website (Rabbiweddings.com) and click on Temple Shabbat Shalom. Call for your login code, or just click on the link below to access these Seders.

If you are interested in Daily Prayer begin with that Seder. To prepare for Rosh Hashanah begin with the Elul Seder. The Seder of Eating and the Seder of the Meal go well together. Karen and I have celebrated each and every Seder and they work. We invite you to also enjoy these enlightening experiences.

Please call the Temple and we will discuss how you and your family can individualize these table services. The next step is to share recipes and the table services you create with the help of these A.L.P.E.R.N. Seders.

We are really looking forward to your response.

Enjoy.
